

**SERVING THE CENTRAL FLORIDA VETERAN
COMMUNITY SINCE 2012**

We are a 501(c)3 non-profit all-volunteer organization

YOU MADE IT HAPPEN

**CHAIRMAN'S CHOICE,
A THUMBS UP TO ALL!**

While not everyone walked away with a show car award, we hope what you took home in your hearts was even better.

THANK YOU for making this 4th annual the biggest "Hot Rods for Heroes" to date.

We set out to raise awareness about Honor Flight Central Florida, and to attract new Veterans honorees and new Guardian escort applicants for future flight missions. We were overwhelmed by the turnout and the outpouring of support from so many veterans, first responders, patriotic spectators, past donors, new sponsors, veteran non-profits and museums, and the local community.

**So many meaningful moments
everywhere you looked around.**

Our intrepid HF photographer Paul Ricarri processed more than 900 images.

You can view them here -

See you next year and hopefully sooner at our fall flight "Welcome Home" celebrations at the Orlando International Airport.

Our planes don't fly without you.
Thanks to you, we will be flying for many seasons.

Vroom! Vroom!

This is an impressive community of patriots, and we are grateful. Because of you our planes are flying again, and many more of our Central Florida heroes will get to visit their memorials in D.C. at no cost to them, an honor they each deserve.
