

**SERVING THE CENTRAL FLORIDA VETERAN
COMMUNITY SINCE 2012**

We are a 501(c)3 non-profit all-volunteer organization

YOU MADE IT HAPPEN

WE SALUTE ALL OF YOU!

Our thanks are better late than never!

While not everyone walked away with a show car award, we hope what you took home in your hearts was even better.

THANK YOU for making this 5th annual by far the biggest "Hot Rods for Heroes" to date!

We created this event in 2018 to raise awareness about Honor Flight Central Florida, and to attract new Veteran honorees and new Guardian escort applicants for future flight missions. We continue to be overwhelmed by the growth and the outpouring of support from so many veterans, first responders, patriotic spectators, past donors, new sponsors, veteran non-profits and museums, and the local community.

So many meaningful and genuine moments everywhere you looked around.

Our intrepid HF photographer Paul Ricarri captured lots of very special images. You can view them all here - www.honorflightcentralflorida.org/picture-videos/

See you next year and hopefully sooner at our fall flight "Welcome Home" celebration September 16th at Orlando International Airport.

Our planes do not fly without you. Thanks to you, we will be flying for many seasons.

Vroom! Vroom!

Shannan & Bruce Goforth, HRFH Event Co-Chairs, the Honor Flight Board of Directors, & all of our red-shirt HRFH volunteers

We welcome your comments, feedback, suggestions and sponsorships for the 2024 event.

If you have attended all 5 events, drop us a note. We have a special "5 timers" sticker to send you!

THANKS TO EACH OF YOU FOR SUPPORTING OUR MISSION

This is an impressive community of patriots, and we are grateful. Because of you our planes will keep flying, and many more of our hometown heroes will get to visit their memorials in Washington D.C. at no cost to them, an honor they each deserve.

Friends of Honor Flight Central Florida, please support these groups and businesses often!

If we somehow missed listing your support here please accept our apology and bring it to our attention immediately. Thank you.

We believe as Will Rogers did - "We can't all be heroes. Some of us have to stand on the curb and clap as they walk by."
