Thanks for choosing to support Honor Flight Central Florida!

We transport our heroes to Washington, D.C. to visit and reflect at their memorials at no cost to them. Top priority is given to the senior veterans - World War II survivors, along with those other veterans who may be terminally ill. After serving these veterans, our efforts then focus on honoring Korean and Vietnam Veterans. Since 2005 the Honor Flight Network has flown over 850,000 Veterans from 46 states and 146 hubs.

Honor Flight Central Florida is a registered HUB of the national Honor Flight Network.
