***Honor Flight is a non-profit organization dedicated to providing veterans with honor and closure.***

***Our Mission: We transport American's Veterans to Washington, D.C. to visit those memorials dedicated to honor the service and sacrifices of themselves and their friends.***

Honor Flight Network is a non-profit organization created solely to honor America's veterans for all their sacrifices. We transport our heroes to Washington, D.C. to visit and reflect at their memorials at no cost to them. Top priority is given to the senior veterans - World War II survivors, along with those other veterans who may be terminally ill. After serving these veterans, our efforts then focus on honoring Korean and Vietnam Veterans.

Of all of the wars in recent memory, it was World War II that truly threatened our very existence as a nation and as a culturally diverse, free society. According to the Department of Veterans Affairs, an estimated 640 WWII veterans die each day. Our time to express our thanks to these brave men and women is running out.

**Since 2005 the Honor Flight Network has flown over 850,000 Veterans from 46 states and 146 hubs.**

*Honor Flight Central Florida* is a registered HUB of the national *Honor Flight Network*. We are a registered 501(c)3 non-profit all-volunteer organization. We serve Central Florida Veterans regardless of which county they live in and fly out of the Orlando International Airport.
